Notice of Compliance with EU Sanctions Against Russia

We are writing to inform you that INDURA is in full compliance with the most recent EU sanctions against Russia, published on July 18, 2023, in accordance with Council Regulation (EU) No. 833/2014 and Council Regulation (EU) No. 269/2014.

Confirmation of Compliance

We hereby confirm that INDURA will not:

- Import or purchase iron and steel products that originate from or have been exported from Russia.
- Transport iron and steel products that originate from or have been exported from Russia to any other country.
- Import or purchase iron and steel products that have been processed in a third country but contain materials originating from Russia.
- Provide technical assistance, brokering services, financing or financial assistance, including financial derivatives, as well as insurance and re-insurance, in relation to the aforementioned prohibitions.

Commitment to Ongoing Compliance

We are committed to adhering to both the current and future versions of these regulations. Our procurement department has already taken steps to ensure that our supply chain is in full compliance with these sanctions.
